In order to establish the background, context and form of reference for this Agreement and to generally express the objectives, and intentions, of the respective parties herein, the following statements, representations and explanations shall be accepted as predicates for the undertakings and commitments included within the provisions which follow and may be relied upon by the parties as essential elements of the mutual considerations upon which this Agreement is based.

1.1 The VILLAGE is in need of an independent contractor to provide technical grant application services related to the Village's canal restoration projects.

1.2 On March 06, 2017, the VILLAGE received a proposal from CONSULTANT to provide technical grant application services related to the Village's canal restoration projects.

2.3 CONSULTANT assumes professional and technical responsibility for performance of its services to be provided hereunder in accordance with applicable recognized professional standards. If within twelve (12) months following completion of its services, such services fail to meet the aforesaid standards, and the VILLAGE promptly advises CONSULTANT thereof in writing, CONSULTANT agrees to re-perform such deficient services without charge to the VILLAGE.

2.4 None of the work or services under this contract shall be subcontracted beyond that shown on List of Major Sub-contractors submitted to the VILLAGE by CONSULTANT, unless CONSULTANT obtains prior written consent from the VILLAGE. Approved subcontractors shall be subject to each provision of this contract and CONSULTANT shall be responsible and indemnify the VILLAGE for all subcontractors' acts, errors or omissions.

3.2 Anything to the contrary notwithstanding, minor adjustment to the timetable for completion approved by VILLAGE in advance, in writing, will not constitute a delay by CONSULTANT. Furthermore, a delay due to an Act of God, fire, lockout, strike or labor dispute, riot or civil commotion, act of public enemy or other cause beyond the control of CONSULTANT shall extend this Agreement for a period equal to such delay and during this period such delay shall not constitute a delay by CONSULTANT for which liquidated damages are due.

4.1 The VILLAGE hereby agrees to pay CONSULTANT for the faithful performance of this Agreement, for work completed in accordance with the Proposal attached hereto as Exhibit "A", and as directed by VILLAGE. Prices for work completed by the CONSULTANT shall be as reflected in CONSULTANT's Proposal attached hereto and made a part hereof as Exhibit "A". In the event the insurance certificate provided indicates that the insurance shall terminate and lapse during the period of this contract, then in that event, the CONSULTANT shall furnish, at least thirty (30) days prior to the expiration of the date of such insurance, a renewed certificate of insurance as proof that equal and like coverage for the balance of the period of the contract and extension thereunder is in effect. The CONSULTANT shall not continue to work pursuant to this contract unless all required insurance remains in full force and effect.

5.5 Comprehensive General Liability insurance to cover liability bodily injury and property damage. Exposures to be covered are: premises, operations, products/completed operations,

and certain contracts. Coverage must be written on an occurrence basis, with the following limits of liability:

7.3 If a court of competent jurisdiction holds the Village liable for certain tortuous acts of its agents, officers, or employees, such liability shall be limited to the extent and limit provided in 768.28, Florida Statutes. This provision shall not be construed as a waiver of any right or defense that the Village may possess. The Village specifically reserves all rights as against any and all claims that may be brought.

ARTICLE 8
INDEPENDENT CONTRACTOR

8.1 This Agreement does not create an employee/employer relationship between the parties. It is the intent of the parties that the CONSULTANT is an independent contractor under this Agreement and not the VILLAGE's employee for all purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers Compensation Act, and the State unemployment insurance law.
