

RESOLUTION NO. 23-08-81

A RESOLUTION OF THE VILLAGE COUNCIL OF ISLAMORADA, VILLAGE OF ISLANDS, FLORIDA, RELATING TO THE PROVISION OF STORMWATER MANAGEMENT SERVICES; REIMPOSING STORMWATER SERVICE ASSESSMENTS AGAINST CERTAIN REAL PROPERTY WITHIN ISLAMORADA, VILLAGE OF ISLANDS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2023; APPROVING THE STORMWATER ASSESSMENT ROLL FOR THE STORMWATER SERVICE ASSESSMENTS; PROVIDING FOR COLLECTION OF THE STORMWATER SERVICE ASSESSMENTS; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the Village Council of Islamorada, Village of Islands, Florida (the "Village"), has enacted Ordinance No. 05-15, the Stormwater Assessment Ordinance (the "Ordinance") relating to Stormwater Management, which authorizes the imposition of Stormwater Service Assessments against real property specially benefited by the Village's Stormwater Management Services; and

WHEREAS, the imposition of a Stormwater Service Assessment is an equitable and efficient method of allocating and apportioning the cost of the Village's Stormwater Management Service among parcels of property that are specially benefited thereby; and

WHEREAS, on August 9, 2007, the Village Council adopted Resolution No. 07-08-43, the Amended and Restated Initial Assessment Resolution for Stormwater Management Services (the "Initial Assessment Resolution"), and on September 6, 2007, the Village Council adopted Resolution No. 07-09-52 (the "Amended and Restated Final Assessment Resolution"), which identified the area within which the Village provides Stormwater Management Services and identified those properties to be specially benefited by the Village's Stormwater Management Services (the "Stormwater Service Area") and described the method of assessing the cost of the Village's Stormwater Management Services (the "Stormwater Service Cost") against Developed Property located within the Stormwater Service Area; and

WHEREAS, pursuant to the provisions of the Section 3.09 of the Ordinance, the Village is required to adopt an Annual Rate Resolution for each fiscal year to approve the Stormwater Assessment Roll for such fiscal year; and

WHEREAS, this Resolution shall serve as the Annual Rate Resolution for the Fiscal Year 2023-2024; and

WHEREAS, the Stormwater Assessment Roll has heretofore been filed with the office of the Village Manager, as provided for in Section 3.05 of the Ordinance; and

WHEREAS, as required by the terms of the Ordinance, notice of a public hearing has been published and mailed to each property owner proposed to be charged a Stormwater Service Assessment, notifying such property owner of the opportunity to be heard; the proof of publication and an affidavit of mailing are attached hereto as Appendices A and B respectively; and

WHEREAS, on August 17, 2023, a public hearing was duly held and comments and objections of all interested persons have been heard and considered as required by the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE COUNCIL FOR ISLAMORADA, VILLAGE OF ISLANDS, FLORIDA, AS FOLLOWS:

Section 1. **Authority.** This Resolution is adopted pursuant to the provisions of the Ordinance, the Initial Assessment Resolution, the Amended and Restated Final Assessment Resolution, Sections 166.021 and 166.041, Florida Statutes, and other applicable provisions of law.

Section 2. **Definitions.** This Resolution constitutes the Annual Rate Resolution as defined in the Ordinance for the imposition of Stormwater Service Assessments. All capitalized

terms in this Resolution shall have the meanings defined in the Ordinance, the Initial Assessment Resolution and the Amended and Restated Final Assessment Resolution.

Section 3. Approval of Stormwater Assessment Roll. The Stormwater Assessment Roll, which is currently on file in the office of the Village Manager and incorporated herein by reference, is hereby approved.

Section 4. Stormwater Service Assessments.

(A) It is hereby ascertained, determined, and declared that each parcel of Assessed Property within the Stormwater Service Area will be specially benefited by the Village's provision of Stormwater Management Services in an amount not less than the Stormwater Service Assessment for such parcel, computed in the manner set forth in the Initial Assessment Resolution. Adoption of this Annual Rate Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the Initial Assessment Resolution from the Stormwater Management Services to be provided and a legislative determination that the Stormwater Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Initial Assessment Resolution.

(B) The method for computing and apportioning the Stormwater Service Assessments described in the Initial Assessment Resolution is hereby approved.

(C) For the Fiscal Year beginning October 1, 2023, the Stormwater Service Cost of \$208,000.00 shall be allocated among all parcels of Assessed Property, based upon each parcel's number of Net Equivalent Stormwater Units ("ESU"). An annual rate of assessment equal to \$32.00 per Net ESU is hereby imposed for each Tax Parcel of Developed Property. Stormwater Service

Assessments for Stormwater Management Services in the amounts set forth in the Stormwater Assessment Roll, as herein approved, are hereby levied and imposed on all parcels of Assessed Property described in the Stormwater Assessment Roll.

(D) The above rates of assessment are hereby approved. Except as otherwise provided herein, Stormwater Service Assessments for Stormwater Management Services in the amounts set forth in the updated Stormwater Assessment Roll, as approved herein, are hereby levied and imposed on all parcels of Assessed Property described in such Stormwater Assessment Roll for the Fiscal Year beginning October 1, 2023.

(E) As authorized in Section 3.09 of the Ordinance, a maximum assessment rate of \$62.00 per Net ESU is hereby approved for future fiscal years. This amount can be imposed in future fiscal years without additional notice but is not required to be imposed.

(F) The Stormwater Service Assessments shall constitute a lien upon the Tax Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles, and claims, until paid. The lien for the Stormwater Service Assessments shall be deemed perfected upon adoption by the Village Council of this Annual Rate Resolution and shall attach to the property included on the Stormwater Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

Section 5. Collection of Stormwater Service Assessments. The Stormwater Service Assessments shall be collected pursuant to the Uniform Assessment Collection Act, as provided for in Section 4.01 of the Ordinance. The Village Manager is hereby authorized and directed to certify and deliver or cause the certification and delivery of the Stormwater Assessment Roll for

the Stormwater Service Assessments to the Tax Collector by September 15, 2023, in the manner prescribed by Section 197.3632, Florida Statutes. The Stormwater Assessment Roll for the Stormwater Service Assessments, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

Section 6. Effect of Adoption of Resolution. The adoption of this Annual Rate Resolution shall be the final adjudication of the issues presented herein (including, but not limited to, the apportionment methodology, the rate of assessment, the adoption of the Stormwater Assessment Roll and the levy and lien of the Stormwater Service Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within twenty (20) days from the date of this Annual Rate Resolution.

Section 7. Severability. If any clause, section, or other part or application of this Resolution is held by any court of competent jurisdiction to be unconstitutional or invalid, in part or application, it shall not affect the validity of the remaining portions or application of this Resolution.

Section 8. Effective Date. This Resolution shall take effect immediately upon its adoption.

Americans bump up spending in June

BY ANNE D’INNOCENZIO,
PAUL WISEMAN AND
DEE-ANN DURBIN
The Associated Press

NEW YORK — Americans increased their spending last month as inflation eased in many areas, and the job market remained remarkably strong.

Retail sales rose 0.2% from May to June, following a revised 0.5% increase the previous month, the Commerce Department reported Tuesday.

The figure matched the pace of consumer inflation in June from the prior month, underscoring that shoppers are just about keeping up with pricing pressures. While the headline number of 0.2% was a bit weaker than expected, economists Tuesday focused on data that excludes volatile autos, gas, building materials and food services, which rose a solid 0.6% in June. That 0.6% figure is used to help calculate overall economic growth in the U.S., and it was a pretty strong showing in June.

Shoppers increased spending at electronic stores and furniture and home furnishings stores after a recent pullback. Online sales also had a solid increase. But sales at grocery stores, gas stations and sporting goods stores fell. At restaurants, sales eked out a tiny increase.

The uptick in sales follows an increase in May that pointed to an economy that remains

DAVID ZALUBOWSKI/The Associated Press

Shoppers glide past a display of big-screen televisions in a Costco warehouse on Tuesday, July 11, in Sheridan, Colo. On Tuesday, July 18, the Commerce Department releases U.S. retail sales data for June.

resilient despite rising prices. Yet spending has been volatile this year after surging nearly 3% in January. Sales tumbled in February and March before recovering in April and May.

“While they continue to spend, the June retail sales report suggests that consumers are becoming more thoughtful with their purchases,” wrote Oren Klachkin, U.S economist at Oxford Economics. He pointed to the labor market losing some momentum, declining savings, and interest rates that have made borrowing money or using credit cards more expensive.

There is already early evidence of a pushback from consumers that is being reflected in financial reports from some

of the country’s biggest food producers.

Consumers, whose spending accounts for about 70% of all U.S. economic activity, have been the engine behind the economic recovery from a slowdown during the pandemic. Government relief checks, the suspension of student loan payments and super-low interest rates helped.

Demand outpaced what factories could produce and what ports and freight yards could handle, leading to shortages, delays – and skyrocketing prices.

That gave companies “abnormal power to push up prices” and pass higher costs along to consumers – clout they hadn’t had for decades, Simon

MacAdam, senior global economist at Capital Economics, wrote last month.

That dynamic has shifted, however.

Low interest rates are long gone: The Federal Reserve began aggressively hiking rates in March 2022. The student loan moratorium – which allowed Americans to divert money that used to go to loan payments to dinners out and new furniture – ends later this year.

And the savings that Americans had stashed away at the peak of the pandemic — when they were receiving government relief checks and saving money while hunkered down at home — are vanishing. Fed researchers have reported that consumers depleted their

excess’ savings in the first three months of 2023.

All of which means that consumers may no longer be willing – or able – to tolerate elevated prices as overall inflation dips.

U.S. data on prices, the most recent arriving last week, showed that consumer inflation reached its lowest point since early 2021 last month. Prices rose just 0.2% from May to June thanks to easing costs for gasoline, airline fares, used cars and groceries. Inflation is just up 3% over the last 12 months. But Americans still face surging prices for some goods and services as well, like auto insurance.

Ryan Dixon, who recently moved from Florida to a farm in Hillsboro, Tennessee, said he didn’t notice prices increasing as much in 2020 and 2021 because of the COVID-19 relief payments he was getting from the government. But as that money ran low, it became clear that he needed to find new ways to cut spending.

Now, he keeps track of the coupons in the Target and Walmart apps, scours the grocery aisles for deals on meat and buys store-brand canned goods.

“I’m not buying Del Monte and Green Giant anymore. I’m buying the Walmart brand,” he said.

There are a handful of brands he loves and won’t substitute,

like his Mountain Dew sodas. But he is looking for cheaper alternates almost everywhere else.

“I never thought I would shop like my mother,” Dixon said. “But if I don’t have a coupon for it, I don’t get it.”

Those kinds of every day decisions are beginning to show up in the financial performance of major food producers.

Conagra Brands, which makes Slim Jim beef jerky, Duncan Hines cake mix and more, said during a fourth-quarter earnings call last week that smaller price increases have not translated to higher sales volume. That is a quick turn from the third quarter when price increases __ which topped 15% that quarter __ did not dent demand.

“It’s not a trade down within individual categories to lower-priced alternatives. It looks, optically, more like a cutting back and what I call hunkering down,” Conagra CEO Sean Connolly told analysts. “And one thing I know for sure, people aren’t eating less. So they’re making choices to manage their budget.”

PepsiCo, which makes Ryan Dixon’s MountainDew, said last week that higher prices lifted the company’s revenue in the second quarter but consumer demand has faded. The company said that price increases could start to moderate in the second half of this year.

NOTICE OF HEARING TO IMPOSE AND PROVIDE
FOR COLLECTION OF
NON-AD VALOREM ASSESSMENTS FOR
STORMWATER SERVICE

Notice is hereby given that the Village Council of Islamorada, Village of Islands, Florida, will conduct a public hearing to consider reimposing Stormwater Service Assessments in the area receiving Stormwater Management Service from the Village, as shown above, and to authorize collection of such assessments on the tax bill. The hearing will be held at 5:30 p.m. or as soon thereafter as possible on August 17, 2023, at Founders Park Community Center, 87000 Overseas Highway, Islamorada, Florida. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Village Clerk at (305) 664-6412 at least seven (7) days prior to the date of the hearing. All affected property owners have a right to appear at the hearing and to file written objections with the Village Council. All written objections to the non-ad valorem assessments must be filed with the Village Council within twenty (20) days of this notice. Any person wishing to appeal any decision of the Village Council with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Stormwater Service Assessments are proposed to fund the Village's cost to provide Stormwater Management Service in the area shown above. The Stormwater Service Assessments are based upon the estimated amount of stormwater runoff generated by impervious surface on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The Village has determined that the average single-family residence in the Stormwater Service Area includes 3,322 square feet of impervious surface, which is defined as the "equivalent stormwater unit value" or "ESU Value." The annual Stormwater Service Assessment rate for the Fiscal Year 2023-24 and for future fiscal years will be \$32.00 for each Net ESU. The maximum annual Stormwater Service Assessment rate for Fiscal Year 2023-24 and for future fiscal years will be \$62.00 for each Net ESU. The total annual assessment revenue to be collected within the Village of Islamorada for the upcoming Fiscal Year is estimated to be \$201,000.

Generally, the number of ESUs was calculated individually for each parcel of property by dividing the impervious surface area by 3,322 square feet. Credit for privately maintained Stormwater management facilities and other factors affecting the quantity or quality of Stormwater runoff has also been applied, resulting in an assignment of Net ESUs. A more specific description is set forth in the amended and restated Initial Assessment Resolution adopted by the Village Council on August 9, 2007. Copies of the amended and restated Initial Assessment Resolution, the amended and restated Final Assessment Resolution, and the updated assessment roll are available for inspection at the Office of the Village Clerk located at 86800 Overseas Highway, Islamorada, Florida.

The Stormwater Service Assessments will be collected on the ad valorem tax bill to be mailed in November 2023, as authorized by Section 197.3632, Florida Statutes. Failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title to your property.

If you have any questions, please contact the Village at (305) 664-6446, Monday through Friday between 8:00 a.m. and 5:00 p.m.

VILLAGE COUNCIL OF ISLAMORADA,
VILLAGE OF ISLANDS, FLORIDA

adno=3897561-1

Village of Islamorada
SERVICE AREAS

NOTICE OF HEARING TO REIMPOSE AND PROVIDE
FOR COLLECTION OF SPECIAL ASSESSMENTS
FOR WASTEWATER COLLECTION AND TREATMENT
FACILITIES FOR REMAINING SERVICE AREA
PHASE I (RSA1) AND PHASE 2 (RSA 2)

Notice is hereby given that the Village Council of Islamorada, Village of Islands, Florida, will conduct a public hearing to consider reimposing special assessments against certain parcels of property located therein. The hearing will be held at 5:30 p.m., or as soon thereafter as the matter can be heard, on August 17, 2023 at Founders Park Community Center, 87000 Overseas Highway, Islamorada, Florida for the purpose of receiving public comment on the assessments. In accordance with the Americans with Disabilities Act, if you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the Village Clerk at (305) 664-6412 at least seven (7) days prior to the public hearing. All affected property owners have a right to appear at the hearing and to file written objections with the Village within 20 days of this notice. If a person wishes to appeal any decision made by the Village Council with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

For the Phase 1 (RSA 1) Assessment Area, the assessment for each parcel of property is based on the number of equivalent dwelling units attributable to such parcel. Unless prepaid, the annual assessment will include your share of the principal, interest and collection cost. The maximum annual assessment for Fiscal Year 2023-24 and future fiscal years is estimated to be \$256 per EDU for properties with 1-10 EDUs and \$2,560 plus \$74 per EDU for properties greater than 10 EDUs.

For the Phase 2 (RSA 2) Assessment Area, the assessment for each parcel of property is based on the number of equivalent dwelling units attributable to such parcel. Unless prepaid, the annual assessment will include your share of the principal, interest and collection cost. The maximum annual assessment for Fiscal Year 2023-24 and future fiscal years is estimated to be \$256 per EDU for properties with 1-10 EDUs and \$2,560 plus \$74 per EDU for properties greater than 10 EDUs.

Property owners within the North Plantation Key, Woods Corner, and the North Plantation Key Supplemental Assessment Areas are not included in this Wastewater Assessment Area.

Copies of the Assessment Ordinance (Ordinance No. 05-16), the Initial Assessment Resolution (Resolution No. 13-06-32), the Initial Assessment Resolution (Resolution No. 11-06-38), the Final Assessment Resolution (Resolution No. 13-07-42), the Final Assessment Resolution (Resolution No. 11-07-47), the Annual Rate Resolutions initiating the annual process of updating the Assessment Rolls and reimposing the Assessments and the updated Assessment Rolls for the upcoming fiscal year are available for inspection at the Village Clerk's office, located at 86800 Overseas Highway, Islamorada, Florida.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The Village Council intends to collect the assessments in not to exceed twenty-five (25) annual assessments, the first of which was included on the November 2011 and the November 2013 ad valorem tax bills respectively. The total annual assessment revenue to be collected within the Village of Islamorada for the Phase 1 (RSA 1) Assessment Area, for the upcoming fiscal year is estimated to be \$1,240,000. The total annual assessment revenue to be collected within the Village of Islamorada for the Phase 2 (RSA 2) Assessment Area, for the upcoming fiscal year is estimated to be \$1,334,000. Future annual assessments may be prepaid at the option of the property owner.

If you have any questions, please contact the Village at (305) 664-6446, Monday through Friday between 8:00 a.m. and 5:00 p.m.

Alternate Key #: «AK»

***** NOTICE TO PROPERTY OWNER *****

Dear Property Owner:

The past decade has brought increasing recognition of environmental and other problems associated with stormwater runoff from developed property, including degradation of our surface waters and standing water on our streets and other property. Islamorada, Village of Islands (the "Village") has actively pursued solutions to these problems by developing a comprehensive Stormwater Utility. In addition, the Village's Comprehensive Plan and recent federal regulations mandate improvements to the Village's stormwater management infrastructure. This will require additional expenditures both for capital facilities (land and structures) and operation and maintenance (for example, cleaning and correcting erosion problems in ditches and culverts).

As a result, the Village Council enacted an ordinance to create a Stormwater Utility and provide a dedicated funding source for stormwater management. The Village Council has also adopted an amended and restated Initial Assessment Resolution, which identifies the area receiving stormwater management services from the Village and specifically describes the method of determining the stormwater service assessment for each parcel of property. It is estimated that the Village will collect \$208,000 from the Stormwater Service Assessments for Fiscal Year 2023-24. The area receiving stormwater management services from the Village includes your property.

The Stormwater Service Assessments are based upon the estimated amount of stormwater runoff generated by impervious surface on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The Village has determined that the average single-family residence in the Stormwater Service Area includes 3,322 square feet of impervious surface, which is the value of one "equivalent stormwater unit" or "ESU Value." Generally, the number of ESUs has been calculated individually for each parcel of property by dividing the impervious surface area by 3,322 square feet. Credit for privately maintained stormwater management facilities and other factors affecting the quantity or quality of stormwater runoff has also been applied, resulting in an assignment of Net ESUs. The number of Net ESUs assigned to your property is provided below.

The above parcel is subject to the stormwater assessment.

The following is a summary of the non-ad valorem special assessments being imposed on the above parcel for the fiscal year beginning October 1, 2023.

The total number of Net ESUs on the above parcel is «ESUs».

The annual stormwater assessment for the above parcel is \$_____ for the fiscal year commencing October 1, 2023.

The maximum annual stormwater service assessment for the above parcel is \$«Max_Assmt» for the Village's fiscal year commencing October 1, 2023, and each fiscal year thereafter.

The Village Council will hold a public hearing at 5:30 p.m. on August 17, 2023, at Founders Park Community Center, 87000 Overseas Highway, Islamorada, Florida, to receive comments on the proposed Stormwater Service Assessments, including their collection on the ad valorem tax bill. You are invited to attend and participate in the hearing. You may also file written objections with the Village Council within twenty (20) days of the date of this notice. If you decide to appeal any decision made by the Village Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the Village Clerk at (305) 664-6412 at least seven days prior to the date of the hearing.

Copies of the legal documentation for the assessment program are available for inspection at the Village Clerk's office, located at 86800 Overseas Highway, Islamorada, Florida.

Because the Stormwater Service Assessment will be collected by the Tax Collector of Monroe County, pursuant to Chapter 197, Florida Statutes, failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title to your property.

If you have any questions regarding the number of Net ESUs assigned to your property or the amount of the Stormwater Service Assessment, please contact the Village at (305) 664-6446, Monday through Friday between 8:00 a.m. and 5:00 p.m.

***** THIS IS NOT A BILL*****

APPENDIX C

**FORM OF CERTIFICATE TO
NON-AD VALOREM ASSESSMENT ROLL**

**CERTIFICATE
TO
NON-AD VALOREM ASSESSMENT ROLL**

I HEREBY CERTIFY that, I am the Mayor of the Village Council of Islamorada, Village of Islands, Florida (the "Village"); as such I have satisfied myself that all property included or includable on the non-ad valorem assessment roll for stormwater management services (the "Non-Ad Valorem Assessment Roll") for the Village is properly assessed so far as I have been able to ascertain; and that all required extensions on the above described roll to show the non-ad valorem assessments attributable to the property listed therein have been made pursuant to law.

I FURTHER CERTIFY that, in accordance with the Uniform Assessment Collection Act, this certificate and the herein described Non-Ad Valorem Assessment Roll will be delivered to the Monroe County Tax Collector by September 15, 2023.

IN WITNESS WHEREOF, I have subscribed this certificate and directed the same to be delivered to the Monroe County Tax Collector and made part of the above described Non-Ad Valorem Assessment Roll this 17 day of August, 2023.
