Business Impact Estimate Form

This Business Impact Estimate Form is provided to document compliance with and exemption from the requirements of section 166.041(4), Fla. Stat. If one or more boxes are checked below under "Applicable Exemptions", this indicates that the Village has determined that section 166.041(4), Fla. Stat., does not apply to the proposed ordinance and that a business impact estimate is not required by law. If no exemption is identified, a business impact estimate required by section 166.041(4), Fla. Stat. will be provided in the "Business Impact Estimate" section below. In addition, even if one or more exemptions are identified, the Village may nevertheless choose to provide information concerning the proposed ordinance in the "Business Impact Estimate" section below. This Business Impact Estimate Form may be revised following its initial posting.

Business Impact Estimate:

The Village hereby publishes the following information:

1. A summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The proposed ordinance explicitly adopts the Monroe County Animal Control Ordinance ("MCACO") in the Village Code. The MCACO has historically been enforced within the Village boundaries. With the exception of a local carve out allowing for domesticated chickens, the proposed ordinance would not change that enforcement but, instead, seeks to reconfirm its applicability within the Village Code.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the municipality, including the following, if any:
 - (a) An estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted:

Reinforcing the applicability of the MCACO is not intended to impact any business in the Village.

- (b) Identification of any new charge or fee on businesses subject to the proposed ordinance, or for which businesses will be financially responsible:

Reinforcing the applicability of the MCACO is not intended to impact any charges/fees on businesses in the Village.

- (c) An estimate of the municipality's regulatory costs, including an estimate of revenues from any new charges or fees that will be imposed on businesses to cover such costs:

None, as enforcement will be done through Monroe County.

3. A good faith estimate of the number of businesses likely to be impacted by the ordinance:

Reinforcing the applicability of the MCACO is not intended to impact any business in the Village.

4. Additional information the governing body determines may be useful (if any):

N/A.

Note: The Village's provision of information in the Business Impact Estimate section above, notwithstanding an applicable exemption, shall not constitute a waiver of the exemption or an admission that a business impact estimate is required by law for the proposed ordinance. The Village's failure to check one or more exemptions above shall not constitute a waiver of the omitted exemption or an admission that the omitted exemption does not apply to the proposed ordinance under section 166.041(4), Fla. Stat., section 166.0411, Fla. Stat., or any other relevant provision of law.
