

# DANGER: Unlicensed Contractors!

## Know what services require a state license

**License:** Repair or replacement of roof, new windows, plumbing and/or electrical repair

**No License:** Trimming or removal of fallen tree, debris cleanup, or placing tarps on roof.

*\* Check with Building Services Department for additional permit or license requirements.*

## Verify

Verify state licenses with DBPR online at [myfloridalicense.com](http://myfloridalicense.com), calling (850) 487-1395, or on the free DBPR mobile app

## Use your best judgment

Use your best judgment when signing a contract. Get everything in writing including all materials, all work contractor will do, date of completion and total cost
